Charitable bike ride raises funds for underprivileged children

HCMC - Fifteen volunteer riders last week for underprivileged children.

The foreign and Vietnamese volunteer riders embarked on a 10-day journey from Hanoi to Ho Chi Minh City. They were welcomed at the finish line in front of the sponsors, friends and supporters.

Bich Thao, a Vietnamese rider, said: "I'm always grateful for a perfect time to give, but there are always children in need."

Started in 2009, the H2H Charity Ride has raised millions of dollars for the Blue Dragon Children's Foundation.

Donations can still be made on <https://www.justgiving.com/teams/h2h2019> until the end of May.

This year's sponsors included Repsol, DHL, Dymax Corporation, Booda Brand, Giant Vietnam, and many others.

H2H Charity Ride is entirely run by volunteers, with organizational support from beneficiary children and want to give something back by helping those most in need.
