Direct funding to our core programme

Focus area

A consistent, multi-year partnership with Target in our Child Development Scholarship Programme ensures that children have the support they need throughout their educational journey.

Outcome

13 years with **1,144**
scholarships awarded

“The scholarship covered **over 90%** of my university education costs, which was an incredible help.

I want to encourage all the scholarship students not to feel inferior because of their family background. Live confidently. Only education can truly help you.”

Công Khánh - A former beneficiary, who was in our Scholarship Programme for 16 years

Co-create unique initiatives

Consulate General
of the Federal Republic of Germany
Ho Chi Minh City

Focus area

Combining the German Consulate General’s focus on well-being with saigonchildren’s experience in community outreach in the Mekong Delta, we developed a mental health programme tailored to youth living in Trà Vinh.

“The training session that impressed me the most was **common mental health challenges**. It helped me acknowledge the signs of mental health issues such as depression and anxiety, enabling me to identify them early and know how to prevent or seek help when needed.”

Outcome

28 work-shops

educating 1,710 students on mental & reproducing health

76-80%

students report improved awareness and knowledge of reproductive and sexual health, and disease prevention

5 work-shops

for 500 teachers on techniques in interactions and communication with students

80%

teachers acknowledge the importance of youths’ mental health, and applying learnt skills in interactions with students.

Fundraising campaigns

Focus area

More than just an employee engagement initiative, the annual UOB Heartbeat Run is a fundraising event that has partnered with saigonchildren for **8 years**, uniting employees to raise funds and create brighter futures for children in need.

Outcome

Recently, UOB also committed to partnering with saigonchildren for the next **5 years**

The award raises funds to equip **computer rooms** in the Mekong Delta, giving children access to digital education.

*I am learning to shine
in my own way*

- Trúc Mai

Raised in a family facing financial challenges in Cần Giờ, Mai has been supported by saigonchildren since Grade 5. She has consistently excelled in her studies and is now pursuing a degree in International Business. In 2024, she was awarded the Madrinha Trust scholarship in recognition of her achievements

*Education helped me rise and
find my place in the city*

- Uyên Nghi

From a low-income family in Tây Ninh, Nhi chose vocational training over higher education to support her household. With a full scholarship from saigonchildren, she completed a Western baking course in November 2024 and now works as a pastry assistant at a well-known restaurant in central Hồ Chí Minh City.

*I took **my first step**
into school life*

- K.V., kid of the early
intervention project

K.V. joined saigonchildren's early intervention project in late 2022, initially facing challenges in communication and emotional regulation. With dedicated specialist support and strong family involvement, he made remarkable progress within a year and proudly attended his first-ever school year opening ceremony in September 2024.

*Education and kindness bring me
to eye-opening places, so I can
return to help others*

- Xuân Duy

Duy received the scholarship from secondary school. With hard work, he graduated from Foreign Trade University and built his career as a Strategy Consultant at KPMG Vietnam. He now returns to give back to the community and empower other scholarship students with skills that once helped him shape his own future.
